Re: **Southwest Florida Water Management Watering Restrictions** – Manatee County

**This letter supersedes all previous schedules.** Thank you for your understanding in these changes as this is important information that is fluid.

Currently, Manatee County is under a modified Phase II “Severe Water Service Restrictions” due to drought conditions.

Lakeside Preserve HOA has modified its current watering schedule to be in compliance with the current restrictions.

Please note it is imperative that **ALL** residents reset their irrigation controllers to be in compliance with the current restrictions. Please contact your yard services company if you need help making these changes. It is the responsibility of the home owner to maintain proper settings for irrigation controllers.

Failure to change your irrigation controllers to the new schedule could result in violation fines from the HOA or Manatee County Enforcement.

Irrigation controllers (Rain Bird) **MUST** be set to the specific day (listed below) according to the **last number of your address**. In compliance with that, ensure that your spray zones are set to a maximum of 20 minutes (per zone) and rotor zones are set to a maximum of 40 minutes (per zone). Please also ensure that your Auto Rain Shutoff is working properly.

Wet checks, previously scheduled for the last Friday in each month, **have been suspended** until these restrictions are lifted.

**New watering schedule will be Monday thru Friday from 5:00 AM to 8:00 AM (ONLY).**

Below is the new watering schedule:

<u>House Address Ending #</u>	<u>Watering Day</u>	<u>Time Range</u>
<b>0 or 1</b>	<b>Monday</b>	<b>5:00 AM – 8:00 AM</b>
<b>2 or 3</b>	<b>Tuesday</b>	<b>5:00 AM – 8:00 AM</b>
<b>4 or 5</b>	<b>Wednesday</b>	<b>5:00 AM – 8:00 AM</b>
<b>6 or 7</b>	<b>Thursday</b>	<b>5:00 AM – 8:00 AM</b>
<b>8 or 9</b>	<b>Friday</b>	<b>5:00 AM – 8:00 AM</b>
